### The Natural World

An exhibition of bronze sculptures from Binder's Cotswold studio, including brand new works and rare favourites from a career spanning multiple decades. Join us for a whistle-stop tour of the natural world.

#### **Exhibition Dates:**

### Saturday 17<sup>th</sup> October – Saturday 31<sup>st</sup> October

Due to the current circumstances, we will not be holding a private view. Usual opening hours apply and private appointments are available for those who would prefer to have the gallery to themselves.
